MARINE LE PEN'S LEADER OF NATIONAL RALLY ANNOUNCED THEIR NON CONFIDENCE VOTE (MOTION OF CENSOR) AGAINST 49,3 DECREE

Since the announcement yesterday by PM Elisabeth Borne of the use of decree 49.3, on the 15th March, groups of people, spontaneous, undeclared, have proved many clashes and violence. The French National Assembly, was in chaos, while the Prime Minister Borne, was delivery her remarks. Since then

"The Prime Minister having chosen to resort to article 49 paragraph 3 of the Constitution to have an unjust and useless reform adopted, that of raising the retirement age by two years, we, deputies of the National Rally Group, decide to make use of the provisions of Article 49 paragraph 3 of the Constitution and Articles 153 and following of the Standing Orders of the National Assembly to censure the government. While the French are massively demonstrating their opposition to this reform, the national representation has never been able to vote on this text, which is, despite the legality of the process, a serious attack on democratic principles. This is why we are tabling this motion of censure so that this iniquitous reform is not adopted.." the statement released by RN said.

IF THE NON CONFIDENCE VOTE PASSES NEXT MONDAY, THE FRENCH GOVERNMENT MAY FALL DOWN

This constitutional tool enables to force the passing of any law, without usine the MP's vote". Since then, the LIOT (20 MP's, Freedom, Independent, Overseas Territories), announced the Non Confidence Vote due to the 49,3 decree, against the current government, next Monday 20 march 2023. The Borne's government might fall next week, if the Censor Motion collects enough MP's voting the non confidence, with at least 287 votes.

In total out of the 577 seats, four are vacant at the moment, so there are 573 left. There have been some voters announced, far, 264, for a vote FOR the Non confidence versus 308 AGAINST + ABSTENTIONS for the motion of censor against the current government led by the Prime Minister, Elisabeth Borne .
